

# MAJORS

## BACHELOR DEGREE (4-YEAR) PROGRAMS

### College of Liberal Arts

Anthropology  
The Arts: Art History  
The Arts: Studio Art  
Classics  
Communication  
English  
English Literature  
English Teaching  
English/Journalism  
European Cultural Studies  
French  
French Studies  
Geography  
German  
Greek  
History  
Humanities  
Latin  
Linguistics  
Music Education (B.M.)\*  
Music History (B.A.)\*  
Music Performance (B.A.)\*  
Music Performance (B.M.)\*  
Music Theory (B.A.)\*  
Philosophy  
Political Science  
Psychology  
Russian  
Sociology  
Spanish  
Theatre  
Theatre: Dance  
Women's Studies  
Undeclared LA

*\*Audition required*

### College of Health & Human Services

Athletic Training  
Communication Sciences & Disorders  
Family Studies: Child & Family Studies  
Health Management & Policy  
Kinesiology: Exercise Science  
Kinesiology: Outdoor Education  
Kinesiology: Physical Education Pedagogy  
Kinesiology: Sport Studies  
Nursing  
Occupational Therapy  
Recreation Management & Policy:  
Program Administration  
Recreation Management & Policy:  
Therapeutic Recreation  
Social Work  
Undeclared HHS

### College of Life Sciences & Agriculture

Biochemistry, Molecular and Cellular Biology  
Biology  
Biomedical Science: Medical Laboratory Science  
Biomedical Science: Medical Microbiology  
Biomedical Science: Medical & Veterinary  
Sciences  
Community & Environmental Planning  
Dairy Management  
Ecology, Evolution & Behavior  
Environmental Conservation Studies  
Environmental Horticulture  
Environmental & Resource Economics  
Environmental Sciences: Ecosystems  
Environmental Sciences: Soil & Watershed  
Management  
Equine Studies: Equine Industry & Management  
Equine Studies: Equine Science  
Equine Studies: Therapeutic Riding  
Forestry  
Genetics  
Marine, Estuarine & Freshwater Biology  
Neuroscience & Behavior  
Nutrition  
Plant Biology (B.A.)  
Plant Biology (B.S.)  
Sustainable Agriculture & Food Systems (B.A.)  
Sustainable Agriculture & Food Systems (B.S.)  
Tourism Planning & Development  
Wildlife & Conservation Biology  
Zoology (B.A.)  
Zoology (B.S.)  
Undeclared LSA

### Whittemore School of Business & Economics

Business Administration  
Economics (B.A.)  
Economics (B.S.)  
Hospitality Management  
Undeclared WSBE

### College of Engineering & Physical Sciences

Chemical Engineering  
Chemistry (B.A.)  
Chemistry (B.S.)  
Chemistry & Physics Teaching (B.A.)  
Civil Engineering  
Computer Engineering  
Computer Science  
Computer Science: Bioinformatics  
Earth Science Teaching (B.A.)  
Earth Sciences (B.A.)  
Earth Sciences: Oceanography (B.A.)  
Electrical Engineering  
Environmental Engineering: Industrial Processes  
Environmental Engineering: Municipal Processes  
Environmental Sciences: Hydrology  
Geology  
Information Technology  
Interdisciplinary Mathematics: Computer Science  
Interdisciplinary Mathematics: Economics  
Interdisciplinary Mathematics: Electrical Science  
Interdisciplinary Mathematics: Physics  
Interdisciplinary Mathematics: Statistics  
Mathematics (B.A.)  
Mathematics (B.S.)  
Mathematics Education: Elementary  
Mathematics Education: Middle/Junior High  
Mathematics Education: Secondary  
Mechanical Engineering  
Physics (B.A.)  
Physics (B.S.)  
Undeclared EPS

## ASSOCIATE DEGREE (2-YEAR) PROGRAMS

### Thompson School of Applied Science

Applied Animal Science: Dairy Management  
Applied Animal Science: Equine Management  
Applied Animal Science: Small Animal Care  
Applied Business Management  
Civil Technology: Architectural Technology  
Civil Technology: Construction Management  
Civil Technology: Surveying & Mapping  
Community Leadership  
Food Service Management: Culinary Arts  
Food Service Management: Dietetic Technician  
Food Service Management: Restaurant Management  
Forest Technology  
Horticultural Technology: Landscape Operations  
Horticultural Technology: Ornamental Horticulture
